Hi, Mom and Dad!

Club DJ is an inter-denominational club program designed for kids in kindergarten to grade 6. All children are welcome! At club, children participate in many different activities such as crafts, games, and a Bible story time.

Each child can earn Club DJ Coins at their own pace by memorizing Bible verses and doing take-home lessons, along with points for just coming and even bringing friends! These coins can then be used to receive awards of their choosing from the **Club DJ General Store**. For more information, please contact:
